

Solving Your Cash Needs

State Street Global Advisors offers a full range of liquidity funds to investors looking for cash solutions. Our range of LVNAV, PDCNAV and Standard VNAV offerings provides the cash investor with options to suit individual requirements.

Figure 1 **A Complete Range of Cash Funds and Strategies**

	Daily Operating Cash	Core Cash	Strategic Cash
Objective	Cash required for day-to-day access. Principal protection and same-day liquidity are priorities.	Longer-term investment horizon. Principal protection is a priority, but same-day liquidity may not be necessary.	Less need for near-term access. Investment horizons can exceed a two year period and yield generation is crucial.
Time Horizon	1 Day-60 Days	90 Days-1 Year	2+ Years
Solution	Institutional Money Market Funds — LVNAV and Treasury Institutional money market funds provide capital preservation, liquidity and transparency	Standard VNAV Funds Designed for investors seeking additional yield with a 6-18-month investment horizon, these fixed-income securities are generally less sensitive to interest-rate changes

Such activities may not be suitable for everyone.

Past performance is not a reliable indicator of future performance.

Diversification does not ensure a profit or guarantee against loss.

Bonds generally present less short-term risk and volatility than stocks, but contain interest rate risk (as interest rates rise, bond prices usually fall); issuer default risk; issuer credit risk; liquidity risk; and inflation risk. These effects are usually pronounced for longer-term securities.

Any fixed income security sold or redeemed prior to maturity may be subject to a substantial gain or loss.

Currency Risk is a form of risk that arises from the change in price of one currency against another. Whenever investors or companies have assets or business operations across national borders, they face currency risk if their positions are not hedged.
